SPIRITUS and CHRIST CATHEDRAL present

ILLUMINA: Awakening to the Wonder of Creation

Wednesday, November 18, 2026 at 7:30PM • Christ Cathedral

A pre-performance presentation will be held at 6:30 p.m. inside the third floor of the Cultural Center.

The world premiere of this large-scale work for voices, organ, handbells, spatial sound, lights and projections will highlight the extraordinary architecture and acoustical properties of Christ Cathedral.

Inspired by Genesis, the Easter Vigil and St. Francis of Assisi's vision for all creation as one family, composer Julian Revie's "Illumina" features more than 200 choral and instrumental performers, along with the Hazel Wright Organ. The work blends together ancient and newly composed sacred music with nature recordings, birdsong, photographs and films contributed from more than 30 countries to celebrate the unity of creation and the glory of God.
